

LAKE COUNTY BUILDING DEPARTMENT INFORMATION

1. Contractors and/or owners shall provide clear access to building and site for all inspections.
2. If a scheduled inspection cannot be performed because an Inspector is locked out or access cannot be obtained, an additional fee of \$50.00 will be charged plus a \$10.00 fuel recovery fee. The inspection will be performed **after** we receive payment.
3. Arrangements shall be made prior to inspection for a key or someone to unlock building.
4. All final inspections including electrical, plumbing, mechanical and Health Department permits (if applicable) must be made, approvals received and a Certificate of Occupancy must be obtained before occupying the building.
