2012 Budget Public Hearing

Wednesday, December 14, 2011 at 1:30pm there will be a public hearing regarding the 2012 county budget.

One of the ways the County Board of Commissioners carries out its legislative responsibilities is to develop and adopt the annual county government budget. We met with each department head and discussed the budget that they submitted for approval. This public hearing will allow the citizens of the county to listen to discussions and ask questions regarding the proposed budget.
